We've had a brilliant week focussed on STEM and in particular engineering. We've had educational visits and engineers coming into school to make this week really special.

A huge thank you to the following people for giving up their time to make this week fantastic:

Spencer Ash, Jonathan Brakewell, Gareth Cherrett, Emma Dyer, Phil Holme, Lee Hudson, Rob Mather (and Rachel at home!), Elizabeth Stephens & Andrew Tissingh. THANK YOU! Thank you also to the staff team for their hard work.

GARSTANG CHILDREN'S FESTIVAL

A letter is being sent home today regarding the children's festival from Claire Redmayne. We are hoping that as many as possible families from school join in on our entry. Please return the form to the school office. Thank you.

UKRAINE – YEAR 5

Year 5 have plans on Wednesday to raise money for UNICEF to support children in Ukraine/ coming from Ukraine. The children have planned a sponsored bicycle ride and a car wash (staff cars). The children are deciding which one to do. If children are cycling, they are invited to bring a bicycle first thing in the morning – it needs to be fully working and they need a helmet. If they want to wash cars, they will need to bring a change of clothes.
