GARSTANG LIBRARY SESSION

We have an upcoming Ozobots session for families at Garstang Library on Thursday 12th May 4.30-6.30pm. This course will introduce families to coding and programming with 'Bit' the Ozobot, a tiny robot with BIG technology! Working together to learn its simple colour language and create games and adventures for 'Bit' to explore. For parents/carers and children in KS1 and KS2. Parents/carers must attend with their children, preferably one adult to one child. [Ozobots with Lancashire Adult Learning - Event Details - Lancashire County Council](#) Booking is required as places are limited.

We will also be running a regular STEM themed club on a monthly basis, so it would be great to reintroduce children to digital sessions at the library. This will take place on the first Thursday of the month 4-6pm for children aged 9+. [STEM Club - Event Details - Lancashire County Council](#)
